NOTES PERTAINING TO ALL OF THE DEBTORS²

On February 2, 2010 (the “Commencement Date”), Movie Gallery, Inc. (“Movie Gallery”) and its domestic affiliates (collectively, the “Debtors”) filed voluntary petitions (collectively, the “Chapter 11 Cases”) with the Bankruptcy Court under chapter 11 of the Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”). The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 3, 2010, the Court entered an order jointly administering the Debtors’ Chapter 11 Cases pursuant to Bankruptcy Rule 1015(b).

The Schedules of Assets and Liabilities, the Schedules of Executory Contracts and Unexpired Leases (collectively, the “Schedules”) and the Statements of Financial Affairs (the “Statements” and with the Schedules, the “Schedules and Statements”) of the Debtors have been prepared pursuant to section 521 of the Bankruptcy Code and Rule 1007 of the Federal Rules of Bankruptcy Procedure by the Debtors’ management with the assistance of their advisors and are unaudited. These notes (the “Global Notes”) pertain to all of the Schedules and Statements. While the Debtors have made reasonable efforts to ensure that the Schedules and Statements are

¹ The Debtors in the cases are Movie Gallery, Inc., Hollywood Entertainment Corporation, Movie Gallery US, LLC, MG Real Estate, LLC, and HEC Real Estate, LLC.

² These notes are in addition to the specific notes contained in each Debtor’s Schedules or Statements. The fact that the Debtors have prepared a “General Note” with respect to any of the Schedules and Statements and not to others should not be interpreted as a decision by the Debtors to exclude the applicability of such General Note to any of the Debtors’ remaining Schedules and Statements, as appropriate.

accurate and complete based on information that was available to them at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements and inadvertent errors or omissions may exist. Moreover, the Schedules and Statements contain unaudited information that is subject to further review and material adjustment. The Debtors have not completed certain valuation analysis required by generally accepted accounting principles (“GAAP”) for the fiscal year ended January 3, 2010, including, but not limited to, impairment charges related to its tangible and intangible assets under ASC 360 and ASC 350, and inventory lower of cost or market adjustments in accordance with ASC 330. Nothing contained in the Schedules and Statements shall constitute a waiver of any of the Debtors’ rights or an admission with respect to these Chapter 11 Cases including, without limitation, any issues involving substantive consolidation, equitable subordination and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant applicable laws to recover assets or avoid transfers.

Amendment. The Debtors reserve all rights to amend or supplement the Schedules and Statements as is necessary and appropriate.

Basis of Presentation. The Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each Debtor on an individual basis. Accordingly, the totals listed herein will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors. While the Schedules and Statements, at times, incorporate information prepared in accordance with GAAP, the Schedules and Statements do not represent financial information prepared in accordance with GAAP.

Causes of Action. The Debtors, despite efforts, may not have identified or set forth all of their causes of action (filed or potential) as assets in their Schedules and Statements. Notwithstanding this, the Debtors reserve all of their rights with respect to any causes of action they may have. Nothing in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such causes of action.

Consolidation of Certain Information. Certain financial and other information in the Schedules and Statements is provided on a consolidated basis as described in these Global Notes. The listing of information on a consolidated basis is not, and should not be construed as, an admission or view as to the appropriateness of substantive consolidation. The Debtors reserve their right to amend their Schedules and Statements for any or all Debtors to file such Statement or Schedule of such Debtors on an unconsolidated basis.

In particular, the Debtors’ income is presented on a consolidated basis and is reported under Question 1 of Movie Gallery’s Statement of Financial Affairs for all Debtors.

The Debtors utilize a consolidated accounts payable and disbursement system through which substantially all business-related expenses of all Debtors are paid by either Hollywood Entertainment Corporation (“HEC”) or Movie Gallery US, LLC (“MGUS”) on behalf of the appropriate Debtor. Therefore, payments listed in response to Statement Questions 3b, 3c, 9 and 23 and claims listed on Schedules D, E, and F for HEC and MGUS also include payments and claims made or incurred by these Debtors on behalf of the other Debtors. Specifically, all of the

payments made by and on behalf of any Debtor that are responsive to Question 9 of the Statements, were made by HEC and reference should be made to this response to Question 9 for all Debtors. Additionally, the Debtors do not separately account for certain of the assets and liabilities of MG Real Estate LLC ("MGRE") and HEC Real Estate LLC ("HECRE") and, therefore, such amounts for MGRE and HECRE are reflected, on a consolidated basis, in the Schedules and Statements of MGUS and HEC.

The Debtors' file taxes as a consolidated group. Movie Gallery is the parent corporation that files the federal corporate income tax return for the consolidated group. HEC is a corporation wholly owned by Movie Gallery, Inc. and is included in Movie Gallery's federal corporate return as a subsidiary. All of the other Debtors are limited liability companies which the Debtors have elected to treat as disregarded entities for federal income tax purpose. As such, each of the other Debtors is treated as a division of its sole member and is not listed separately on the federal income tax return.

Current Market Value – Net Book Value. The Debtors believe it would be an inefficient use of the assets of the Debtors' estates for the Debtors to obtain current market valuations of their assets. Accordingly, unless otherwise indicated, net book values are reflected on the Schedules and Statements. The net book values are unaudited and subject to material changes pending the outcome of valuation analysis in accordance with ACS 350, ACS 360 and ACS 330. For this reason, amounts ultimately realized will vary from net book value and such variance may be material. In addition, the amounts shown for liabilities exclude items identified as "Unknown" or "Undetermined" and, thus, the Debtors' ultimate liabilities may differ materially from those stated in the Schedules and Statements.

Dates. Unless otherwise indicated, the Schedules and Statements reflect the Debtors' assets and liabilities as of the Commencement Date.

Description. Any failure to designate an amount on the Debtors' Schedules and Statements as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent" or "unliquidated." The Debtors reserve the right to dispute any claim reflected on their Schedules or Statements on any grounds including, but not limited to, amount, liability, validity, priority or classification, or to otherwise subsequently designate such claims as "disputed," "contingent" or "unliquidated." The Debtors reserve the right to amend these Schedules and Statements accordingly.

Estimates. To close the books and records of the Debtors as of the Commencement Date, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of their assets, liabilities, revenue and expenses.

Excluded Assets and Liabilities. The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements such as goodwill, de minimis deposits, and accrued liabilities including, without limitation, accrued salaries and employee benefits, tax accruals, and accrued accounts payable. Other immaterial assets and liabilities may also have been excluded. Furthermore, the Debtors have received authority from the Bankruptcy Court to honor and/or pay certain prepetition claims including, but not limited to, the authority to pay outstanding prepetition wages to employees and to honor orders for which customers may have placed

deposits with the Debtors. The obligations that have been satisfied are de minimis individually and significant in number and, as such, are excluded from the Schedules and Statements.

Insiders. The Debtors have included in the Schedules and Statements all payments made during the one-year period preceding the Commencement Date to any individual deemed an “insider.” The Debtors have defined “insider” as any individual that has served as either an executive officer with a title of SVP or higher or a director of a Debtor at any time within the one-year period prior to the Commencement Date. It should be noted that such individuals may not have been executive officers for the entire one-year period. Individuals from Corliss Moore & Associates hold interim management positions with the Debtor and could be deemed insiders. For purposes of preparing the Schedules and Statements, in particular the responses to Questions 3c and 23 of the Statements, the Debtors have not treated these individuals as insiders. All payments to Corliss Moore & Associates have been included in the Debtors response to Question 9 of the MGUS Statement. Payments to insiders also include equity grants which are subject to subsequent vesting conditions and forfeiture under certain circumstances.

Persons listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to (a) such person’s influence over the control of the Debtors, (b) the management responsibilities or functions of such individual, (c) the decision-making or corporate authority of such individual, or (d) whether such individual could successfully argue that he or she is not an “insider” under applicable law.

Inter-company Transactions. Prior to the Commencement Date, the Debtors routinely engaged in inter-company transactions resulting in inter-company accounts payable and receivable. Given the significant volume and ordinary course nature of such transactions, the Debtors have not listed such transactions in the Schedules and Statements.

Inventory. Inventory, where applicable, is presented without consideration for any potential liens asserted by domestic common carriers, shippers, truckers, shipping auditing services, customs agents, warehousemen, mechanics, materialmen or similar liens.

Schedule D – Creditors Holding Secured Claims. Utility companies and other parties that may hold security deposits have not been listed on Schedule D. The Debtors have not included on Schedule D entities that may believe their claims are secured through setoff rights, deposit posted by or on behalf of, the Debtor, or inchoate statutory lien rights. Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy court, the Debtors reserve their right to dispute or challenge, among other things, the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor.

Movie Gallery is the primary obligor of the Debtors’ secured indebtedness which consists of a (i) secured first lien revolver, (ii) a secured first lien term loan, and (iii) a secured second lien term loan. The amounts of these obligations are set forth on Schedule D for each of the Debtors. These loans are secured by a first or second priority lien all of the assets of Movie Gallery, as provided in the governing loan documents. Each of the other Debtors is a guarantor of all of Movie Gallery’s obligations under the governing loan documents and such guarantees are

secured by a security interest in each Debtor's assets with the same relative priority as the liens securing Movie Gallery's primary obligations. Certain agreements amongst the lenders governed their relative rights in the proceeds of their collateral and certain other matters between them.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. Schedule F does not include certain deferred charges, deferred liabilities or general reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Commencement Date. Furthermore, the Debtors have attempted to relate all liabilities to a particular Debtor. As a result of the consolidated payment and disbursement system discussed herein, however, in certain cases, it would be time-consuming and an inefficient use of the assets of the Debtors' estates to analyze the Debtors' consolidated systems to assign a given liability to a particular Debtor. For this reason, in certain situations, the liability of a given creditor may appear on Schedule F for either MGUS, HEC or both and may also appear on Schedule F for another Debtor. Therefore, for a complete understanding of the unsecured debts to be scheduled on Schedule F of a particular Debtor, entities should review both the Schedule F for such particular Debtor and the Schedule F for MGUS and HEC. To the extent the same claim is listed on the Schedules of more than one Debtor, the Debtors have done so out of an abundance of caution and do not admit or acknowledge that any creditor is entitled to more than one recovery on any claim.

The list of litigation and claims contained in the Schedules and Statements, including Question 4.a. of the Statements and Schedule F, may contain certain proceedings that were intended to be filed against certain of the Debtors, but were inadvertently filed against another Debtor. Out of an abundance of caution, proceedings commenced or claims made against multiple Debtors have been listed in the Schedules and Statements of each Debtor. Any information contained in the Schedules and Statements shall not be a binding representation of the liability of Debtors with respect to any suits, proceedings or claims included therein.

Schedule G – Executory Contracts and Unexpired Leases. Reasonable efforts have been taken to relate all executory contracts to a particular Debtor. However, as a result of the consolidated payment and disbursement system discussed herein and the structure of Debtors overall business operations many vendor contracts have been entered into by both HEC and MGUS and/or Movie Gallery, and HEC and MGUS may obtain goods and services under vendor contracts enter into by one of HEC or MGUS. It would be time-consuming and an inefficient use of the assets of the Debtors' estates to analyze the Debtors' consolidated systems to assign a given vendor executory contract to a particular Debtor. For this reason, all of the vendor executory contracts of Movie Gallery, HEC and MGUS have been listed on Schedule G for HEC. For a complete understanding of the executory contracts and unexpired leases to be scheduled on Schedule F of a particular Debtor, entities should review both the Schedule G for such particular Debtor and the Schedule G for HEC. To the extent the same contract is listed on the Schedule of more than one Debtor, the Debtors have done so out of an abundance of caution and do not admit or acknowledge that any Debtor is party to such executory contract.

Certain real property leases listed on Schedule G may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional space and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as subordination agreements, nondisturbance agreements, purchase orders, supplemental agreements, amendments/letter agreements, confidentiality agreements and oral agreements. Such agreements have not be set forth on Schedule G. Certain of the Debtors stores are located on property owned by one Debtor and leased to another. These intercompany leases have not been set forth on Schedule G.

The contracts, agreements and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various agreements, restatements, waivers, estoppel certificates, letters, e-mails, memoranda and other documents, instruments and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents.

The Debtors have used reasonable efforts to locate and identify guaranties and other secondary liability claims (collectively, "Guaranties"), including Guaranties of executory contracts and unexpired leases, secured financing and other agreements. In particular, pursuant to the plan of reorganization in the Debtors' prior chapter 11 bankruptcy, HEC and MGUS may be guarantors of many of the unexpired leases that are listed on Schedule G for HECRE and MGRE and these guarantees are not listed on Schedule G. Other Guaranties embedded in the Debtors' executory contracts and unexpired leases may have been inadvertently omitted.

Reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases, however, inadvertent errors, omissions or over-inclusion may have occurred. Listing a contract, agreement or lease on Schedule G does not constitute an admission that such contract, agreement or lease is an executory contract or unexpired lease or that such contract or agreement was in effect on the Commencement Date or is valid or enforceable. Conversely, the omission of a contract, agreement or lease from Schedule G is not intended and shall not be construed as an admission that such omitted contract, agreement or lease is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to their contracts, agreements or leases shall not be construed as and are not impaired by the omission or inclusion on Schedule G.

The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document or instrument related to a creditor's claim or the validity, status, enforceability thereof or liability thereunder.

Schedule H – Co-Debtors. Certain of the Debtors' lenders, with respect to borrowings, have asserted liens extending to each of the Debtors. For purposes of Schedule H, only the administrative agent is listed for such borrowings. Additionally, it is possible that the legal and/or administrative proceedings that are listed on Schedule F have been asserted against multiple Debtors. Due to the volume of such claims, and because all such claims are contingent,

disputed or unliquidated, and listed elsewhere in the Schedules and Statements, such co-debtor information is not listed on Schedule H.

Setoffs/Returns. The Debtors routinely incur setoffs from customers, suppliers and landlords during the ordinary course of business. Setoffs in the ordinary course can result from various items including, without limitation, inter-company transactions, pricing discrepancies, returns, warranties and other disputes between the Debtors and their customers, suppliers and landlords. These setoffs are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all such ordinary course setoffs. Therefore, such setoffs are excluded from the Debtors' Schedules and Statements. Likewise, in the ordinary course of its business Debtors accept returns of merchandise from its customers and return damaged, recalled and defective merchandise to suppliers for credit. These returns from consumers and to suppliers are consistent with the ordinary course of business in the Debtors' industries and can be particularly voluminous, making it unduly burdensome and costly for the Debtors to list all such ordinary course returns. Therefore, such returns are excluded from the Debtors' Schedules and Statements.

Totals. All totals that are included in the Schedules represent totals of all known amounts included in the Debtors' books and records at the time of the Commencement Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total, at times materially.
